SWITCHES & ACCESSORIES

COMPANY PHILOSOPHY

A Company manufacturing premium electrical Modular Switches & Accessories for more than 25 years. A combination of innovative designs & materials using advanced manufacturing technology in order to create products that are best suited to meet user requirements.

We strive hard to upgrade processes & materials to offer sound electrical performance. Our Products have today become common household products.

The Company has established itself by many years of experience and high quality workmanship. It focuses on Engineering Design, Quality, Sustainability, Performance & Simplicity of use.

RESEARCH & DEVELOPMENT

We have full fledged, well equipped research & development team which works constantly to improve, innovate & engineer new products. This research & development division has a fully integrated product development environment that directs the development process throughout - right from conceptual design to manufacturing.

Series

- 02 TO 32 **A-One** series
- 33 TO 36 **get** pc series
- 37 TO 40 CONNECTIONS & EXTENSIONS
- 41 TO 43 CIRCUIT PROTECTION

WE PROUDLY MAKE IN INDIA & ARE A STEP AHEAD INTO THE FUTURE.
